Ride responsibly. BRP highly recommends that all ATV drivers take a training course. ATVs can be hazardous to operate. For your safety: the operator and passenger should wear a helmet, eye protection and other protective clothing. Always remember that riding and alcohol / drugs don't mix. Never ride on paved surfaces or public roads. Never engage in stunt driving. Avoid excessive speeds and be particularly careful on difficult terrain. ATVs with engine sizes of greater than 90cc are recommended for use only by those age 16 and older. Never carry passengers on any ATV not specifically designated for such use. In some countries models available might be slightly different than models depicted due to regulations requirements.
